Second Sunday of Lent

Bible

Bibles hold stories and words that bring us comfort and wisdom. The story of Jesus's life and teachings are found in the Bible. When you are upset, happy or confused, take out your Bible and see if you can find something that makes you feel better, shares in your joy or helps to answer your questions.

Have your Bible with you each time you say this prayer during the week:

Books are precious, God, especially your book. In our Bibles we can always find the perfect story for however we are feeling. And in the Bible, we can find stories about Jesus and how much he loves all of us. My favorite Jesus story is...

Amen
